About your Dog

9. You agree to provide full and accurate information about your dog's needs and notify me of any changes to the details you provide. You must disclose any behaviour that may impact on your dog's daily care including but not limited to aggression, incontinence, destructive behaviour, and separation anxiety.
10. All dogs must be up to date with vaccinations, flea treatment, and worming, and provide a vaccination certificate at the start of the boarding period. Without a vaccination certificate my insurance is invalid so I would not be able to accept your dog.
11. Dogs should arrive clean and healthy, excluding any medical conditions previously notified.
12. I cannot accept dogs that have shown aggression towards people or other animals, or any dogs registered under the Dangerous Dogs Act 1991.

Your Dog's stay.

13. Food and supplies be provided for your dog's stay. Should additional supplies be needed, you agree to reimburse me when you collect your dog. Please write any instructions for feeding on Dog information form.
14. If your dog becomes unwell or has an accident during boarding, I will obtain prompt veterinary treatment. You will be liable for the cost of any veterinary treatment.
15. If your dog shows aggression towards me, my family or other dogs, or their behaviour is uncontrollable or an unreasonable nuisance to me, I will contact the emergency contact you specify and ask them to collect your dog. If this is not possible, they will be placed in boarding kennels for the remainder of their stay; you will be liable for the cost of kennels.

I confirm that I am the owner of the above dog(s) and I have read, understood, and accept these terms and conditions. I also confirm the information I have supplied is accurate and that I shall make Jo Lock aware of any changes.
